BlueCross Secure Greenville HMO and BlueCross Secure Richland HMO
Provider Directory

This directory is current as of September 1, 2023.

This directory provides a list of BlueCross Secure Greenville and BlueCross Secure Richland's current network providers.

This directory is for the following service area:

BlueCross Secure Greenville – Greenville County

BlueCross Secure Richland – Richland County

To access BlueCross Secure's online provider directory, you can visit www.SCBluesMedAdvantage.com. For any questions about the information contained in this directory, please call our Customer Service Department at 1-855-204-2744. We are available for phone calls 8 a.m. to 8 p.m., Eastern Time, Monday through Friday. Our automated phone system handles calls received after 8 p.m. and on Saturdays, Sundays and holidays. From October 1 through March 31, we are available 8 a.m. to 8 p.m., Eastern Time, seven days a week. TTY users should call 711.

This information is available in alternate formats, including large print. To get this information in other formats, please call Customer Service (phone numbers are printed on the back cover of this booklet). Customer Service has free language interpreter services available for non-English speakers.

The provider network may change at any time. You will receive notice when necessary.

i

Section 1 – Introduction

This directory provides a list of BlueCross Secure Greenville and BlueCross Secure Richland's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

As a member of BlueCross Secure (HMO), you will have to choose one our network providers listed in this directory as your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. A PCP may be a Nurse Practitioner, Physician's Assistant, Family Practitioner, General Practitioner, Internist, Geriatrician, or an OB-GYN physician.

If you are searching for a new in-network provider, please call the phone number of the provider listed in this directory to determine if he or she is accepting new patients.

A PCP provides general medical care. The PCP will provide or manage your health care and will help you make informed decisions about your health care. If you need to see a Specialist, your PCP will coordinate with our plan and the Specialist to give you a referral.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services require a referral. It is important to know which providers are part of our network because, with limited exceptions, while you are a member of our plan you must use network providers to get your medical care and services.

If our plan authorizes you to see an out-of-network provider and the provider sends you a bill, please contact Customer Service or send the bill to us for payment. We will pay your doctor for our share of the bill and will let you know what, if anything, you must pay. It is best to ask an out-of-network provider to bill us first; but if you have already paid for the covered services, we will reimburse you for our share of the cost.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area, you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out-of-network providers, neither Medicare nor BlueCross Secure will be responsible for the costs.

A "medical emergency," when you believe that your health is in serious danger, includes severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting much worse. If you have a medical emergency, get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room, hospital, or urgent care center. You do not need to get approval or a referral first from your doctor or other network provider. You may get covered emergency medical care whenever you need it, anywhere in the United States. In addition, supplemental emergency worldwide coverage is included as a plan benefit. As soon as possible, make sure that we know about your emergency.

You must use network providers except in emergency or urgent care situations, or for out-of-area renal dialysis and cases in which our plan authorizes use of out-of-network providers. If you

ii

obtain routine care from out-of-network providers, neither Medicare nor our plan will be responsible for the costs.

What is the service area for BlueCross Secure Greenville County and BlueCross Secure Richland County?

To join BlueCross Secure Greenville County, you must live within our service area. Our service area is Greenville County.

To join BlueCross Secure Richland County, you must live within our service area. Our service area is Richland County.

How do you find BlueCross Secure Greenville County and BlueCross Secure Richland County providers that serve your area?

The directory begins on Page 1. It lists our plan's primary care providers, specialists, hospitals, skilled nursing facilities, outpatient mental health providers, chiropractors, and ancillary providers in the state of South Carolina.

To select a provider from this directory, find the county you live in or a county that is convenient for you. Listed beneath the counties are cities; and listed beneath the cities are the providers and types of practices (such as Family Medicine, Internal Medicine or Surgery), with their addresses and telephone numbers. The counties, cities and provider types are arranged alphabetically. If the physician you choose belongs to a group practice, the name of the group practice will also appear under his or her name.

Typically, your primary care provider will provide most of your health care. If you need to see a specialist, you must obtain a referral. Your primary care provider will coordinate with our plan and the specialist to get the referral. This directory lists primary care providers and specialists.

To provide quality service to our members, we have asked our plan providers to identify foreign languages they or their office staff members speak, in addition to English. The additional languages a doctor or his/her office staff speaks are noted under the provider's name in the directory.

If you have questions about BlueCross Secure, please call Customer Service at 1-855-204-2744. We are available for phone calls 8 a.m. to 8 p.m., Eastern Time, Monday through Friday. Our automated phone system handles calls received after 8 p.m. and on Saturdays, Sundays and holidays. From October 1 through March 31, we are available 8 a.m. to 8 p.m., Eastern Time, seven days a week. TTY users should call 711. You can also visit our website, www.scbluesmedadvantage.com.
