BlueCross Total and Total Value Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-855-204-2744 (TTY users call 711).

Effect on Current Coverage: If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

Understanding the Benefits

___ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit www.SCBluesMedAdvantage.com or call 1-855-204-2744 (TTY users call 711) to view a copy of the EOC.

___ Review the provider directory to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

___ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

___ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

___ In addition to your monthly plan premium (if applicable), you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

___ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.

___ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you may pay a higher co-pay for services received by non-contracted providers.

I attest that this Per-Enrollment Checklist was reviewed completely with me prior to enrollment.

Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
