Filing a Grievance (Complaint) with Us

A Grievance is any complaint other than one that involves an Organization Determination. You may file a Grievance either orally or in writing, no later than 60 days after the event or incident that led to the Grievance. You may file a Grievance for a variety of reasons, including:

- You feel that you are being encouraged to leave (disenroll from) your Medicare Health Plan.
- Problems getting an appointment.
- Disrespectful or rude behavior by providers or staff.
- Cleanliness or condition of a hospital or doctor's office
- You disagree with our decision not to give you a "fast" Organization Determination or Appeal

You will receive a response within:

- 24 hours if your Grievance involves a refusal to give you a "fast" Organization Determination or Appeal.
- 30 calendar days for all other Grievances. We may extend the timeline by up to 14 calendar days if
 you ask for an extension, or if we justify a need for additional information and the delay is in your
 best interest.

If you have a Grievance, you can call Customer Service at **1-855-204-2744** (toll free), or TTY 711, during the hours of operation:

- October 1 March 31, the Customer Service hours are 8 a.m. 8 p.m. Eastern Time, seven days a week.
- April 1 September 30, the Customer Service hours are 8 a.m. 8 p.m. Eastern Time, Monday through Friday. Our automated phone system handles calls received after 8 p.m. and on Saturdays, Sundays and holidays.

You can also mail your grievance to:

BlueCross BlueShield of South Carolina Medicare Advantage P.O. Box 100191 Columbia, SC 29202-3191

You Can Also Contact Medicare

If you have questions, call 1-800-MEDICARE (TTY users should call 1-877-486-2048), 24 hours a day, 7 days a week.

While we encourage you to contact Customer Service first when you have a Grievance, you can also tell Medicare about your grievances directly by visiting the Centers for Medicaid Services (CMS) website.

Complaints About Quality of Care

If you have a complaint about the quality of care you received, such as about getting discharged from the hospital too soon, you may also complain to the Quality Improvement Organization (QIO).
